

**Carpentry For Kids, Carrots to Clarinets, Engineering For Kids
- presented by FARC - Policies and Procedures**

Safe Conduct and Dress, I AGREE TO:

1. Occupy my assigned place at the beginning of the class.
2. Wear safety glasses at all times when machines or tools are being used in the room.
3. Wear prescribed protective clothing and footwear and not wear loose clothing or jewelry.
 - o Sandals, open-toed shoes, and shoes with canvas or mesh uppers should not be worn in the while working in the classroom.
 - o Long hair and loose clothing or jewelry must be confined when working in the classroom. Ties should be tucked into shirt or removed.
4. Practice general cleanliness and orderliness at all times.
5. Do not throw objects.
6. Avoid “horseplay” at all times in the classroom.
7. Report all accidents including minor cuts, scratches and splinters to the instructor promptly.
8. Remain in the room at all times except when excused by the instructor.
9. Help with cleanup and storage duties until all jobs have been completed and approved.

Safe Machine Use, I AGREE TO:

1. Never operate equipment or tools unless specifically authorized.
2. Never operate machines unless they are safe to use.
3. Use all tools for the purpose intended and in the approved manner as taught by the instructor.
4. Fasten all work securely before drilling, sanding, and other such operations.
5. Avoid talking to or otherwise distracting others using machines, equipment or tools.
6. Never adjust, clean or leave machines unattended while they are running.
7. Not force machines beyond the capacity for which they were designed.
8. Report to the teacher all tools and machinery in need of repair, and any hazards that I observe.

I have read the above rules and discussed them in class with my instructor. I realize they are for my protection and I will do all I can to see that they are enforced. I will observe all precautions given by my instructor or others assigned to supervise my participation in school and school-related activities. Violation of the above rules may result in student removal from the class.

I understand that my child will be exposed to a variety of tools and machines and will be working with tools and equipment with supervision. I understand the nature of the proposed activities and hereby assume any and all risks associated with those activities. My child has my permission to participate in CARPENTRY FOR KIDS, CARROTS TO CLARINETS, ENGINEERING FOR KIDS presented by FARC. By signing below I release any claims, damages and liabilities arising from or related to my child's participation in this class.
